

Diosdado Macapagal International Airport or Clark Airport
AIRPORT PICKUP INSTRUCTIONS

(These instructions apply to all airlines, domestic and international, arriving at Clark Airfield)

When you arrive at Clark Field and have finished processing through immigration and customs, exit the terminal and just outside the doors, our driver will be waiting for you. He will be holding a sign with your name on it.

If you are approached by anyone inside the terminal and you are not sure it's our driver, please have the driver call the hotel for you and then speak with someone in reception. All our drivers carry cell phones and will not hesitate to make the call. If for any reason you are unable to meet up with the driver at the airport, please phone the hotel at 09285000675 before making any other arrangements.

Our staff is available 24 hours a day to assist and to put you in touch with your driver. Since we are sending our driver from the hotel you will still be charged for the service if you take another service without first calling the hotel.
