

PAL DOMESTIC TERMINAL AIRPORT PICKUP INSTRUCTIONS

(These instructions apply only to PAL domestic airline flights)

Go out the door and into the arrival area. Walk to the curb and look across the road for the driver holding a sign with your name on it. He will be standing at the curb on the opposite side of the road.

If you are approached and you are not sure it's our driver, please have the driver call the hotel for you and then speak with someone in reception. All our drivers carry cell phones and will not hesitate to make the call. If for any reason you are unable to meet up with the driver at the airport, please phone the hotel at 09285000675 before making any other arrangements.

Our staff is available 24 hours a day to assist and to put you in touch with your driver. Since we are sending our driver from Angeles, you will still be charged for the service if you take another service without first calling the hotel.

If you want to send us a description or picture to pass along to the driver, please do so. It may help him identify you even sooner. Once you arrive at the hotel, you may charge the transport to your room or pay the hotel at check-in. Please do not pay the driver directly.
