

***These instructions are applicable to all Cebu Pacific airline international and domestic flights arriving at the Manila airport***

**INSTRUCTIONS FOR TERMINAL 3  
MANILA AIRPORT PICKUP**

Dear guest.....Once you clear CUSTOMS, proceed to the ARRIVAL AREA/GREETING HALL. As you arrive in the hall, turn right and head towards the last exit door on the right side of the building. Exit through that door and stand to the right. Our driver will meet you there.

If any driver approaches you before you get to the meeting place, do not go with them. Some drivers may falsely claim to be with our hotel even though they are not. If in doubt, ask the driver to phone the hotel and you talk with the front desk attendant to confirm that you are with the appropriate driver. Our drivers will not hesitate to make the call.

If you have any issue at all in locating the driver at the airport, please call the hotel first before arranging any other transport. Our cell phone number is 09285000675 and our land line phone numbers are: (045)625-6494 or (045)625-6495. Our driver is coming from Angeles. If you make other arrangements for transport to Angeles without first contacting the hotel, you will still be charged for the transport.
